### General Meeting

Friday, June 19 | 11 a.m.

Location: Program Room 3

What's Popping at the Recording Studio with Owen Misterovich

Everyone is welcome to attend – you do not need to be a Friends member!

Find out what the HAPL recording studio offers: music recording, podcast production, and video production. Hear about some projects Owen has worked on since starting work here, such as a 6-person podcast, an experimental jazz record, poetry recordings, video podcasts, and more. He will also go over the guidelines of the studio. The presentation is followed by a Q & A period.
